We invite you to take pictures of anything and everything that is happening in our county in the twenty-four hours of **Sunday, October 16, 2016, and send them to us!** What is your view of Allen County that day? These pictures are not limited to marquee events. We want to see what is going on throughout the entire community; so pictures can be of people at work, children at play, sporting events, weather and blooming flowers, homes and buildings, traffic scenes, hikers and bikers, and people just hanging out. Include a brief description you would like placed with the picture.

If it’s happening in the twenty-four hours of October 16th, it’s worth sharing!
