**The Balancing Act:**
**Preserving and Displaying Your Family Heirlooms** - Tamara Hemmerlein
Family heirlooms are tangible connections to our past and act as touchstones for our present. Caring for them properly when they're on display in our homes helps to ensure that they can be passed down through the generations. This presentation will give you some tips on how to balance the display and use of your family heirlooms while preserving them for the future. Tamara Hemmerlein, the Director of Local History Services for the Indiana Historical Society, presents this engaging program.
